

# HTML FRAMES

Create a webpage using HTML frames that divides the screen into three sections:

1. A top frame for the header.
2. A left frame for navigation links.
3. A main frame to display content.

## Instructions:

1. Create four HTML files:
  - index.html (Main file with frameset)
  - header.html (Header content)
  - menu.html (Navigation menu with links)
    - add external links of [www.boharsingh.in](http://www.boharsingh.in) website
    - add internal link of previously created HTML Form Activity
  - content.html (Default content page)

**Note:** - Save all these files in single directory.

## 2. Step 1: Create index.html with a frameset:

```
<!DOCTYPE html>
<html>
<head>
  <title>HTML Frames Example</title>
</head>
<frameset rows="20%, 80%">
  <frame src="header.html" name="headerFrame" noresize scrolling="no">
  <frameset cols="30%, 70%">
    <frame src="menu.html" name="menuFrame" noresize>
    <frame src="content.html" name="mainFrame">
  </frameset>
</frameset>
</html>
```

### 3. Step 2: Create header.html for the header section:

```
<!DOCTYPE html>
<html>
<head>
  <title>Header</title>
</head>
<body style="background-color: lightblue; text-align: center;">
  <h2>Welcome to My Website</h2>
</body>
</html>
```

### 4. Step 3: Create menu.html for the navigation menu:

```
<!DOCTYPE html>
<html>
<head>
  <title>Menu</title>
</head>
<body style="background-color: lightgray;">
  <h3>Navigation</h3>
  <ul>
    <li><a href="https://www.boharsingh.in"
target="mainFrame">Home</a></li>
    <li><a href="htmlform.html" target="mainFrame">Registration
Form</a></li>
    <li><a href="https://www.boharsingh.in/lab.php" target="mainFrame">Lab
Manuals</a></li>
    <li><a href="https://www.boharsingh.in/notes.php"
target="mainFrame">Computer Notes</a></li>
    <li><a href="https://www.boharsingh.in/video.php"
target="mainFrame">Video Tutorials</a></li>
  </ul>
</body>
</html>
```

## 5. Step 4: Create content.html for the default content:

```
<!DOCTYPE html>
<html>
<head>
  <title>Content</title>
</head>
<body>
  <h2>Welcome to the Content Area</h2>
  <p>This is the main content section.</p>
</body>
</html>
```
